

Course EJ1 Edentulous Jaws “The Syncone Technique”

Main Course Speakers
Dr Fazeela Khan-Osborne
Supporting Demonstrator
Dr Neil Cooper

This course deals specifically with treatment of the edentulous arch utilising the “Syncone Technique” of The Ankylos System. This course allows the GDP to bring suitable patients and is also fully “hands on” utilising the patient’s own denture on the day of surgery. It will take delegates through the treatment planning stages, use of stents, placement of implants and all of the restorative phases. Post operative management will also be covered.

1 Day Course:

Dates to be individualised for a group of 8.

Course Fees:

£450 per day inc VAT to include course notes & lunch.
