

Main Course Speaker & Clinical Demonstrator  
Dr Fazeela Khan-Osborne  
Supporting Demonstrators  
Dr Neil Cooper/Dr J. Farquharson

This course is designed for GDPs who are confident placing implants and who wish to either have the information around treatment planning in the posterior maxilla, and those who are experienced surgeons and who wish to attend a "hands on" course where they will assist and take part in sinus elevation and augmentation procedures and block grafts.

Course Programme:

- Principles of posterior maxilla graft procedures
- Diagnosis and treatment planning, use of CT
- Surgical protocols
- Sinus elevation and augmentation techniques
- Simultaneous grafting and placement techniques
- Biomaterials used in sinus grafting
- Management of complications

2 Day Course:

Dates to be individualised for a group of 4.

Course Fees:

£550 per day inc VAT to include course notes & lunch.
